YEAR 2 AUTUMN TERM 2021-2022

TEACHERS: MS UBAH MOHAMED / MS SHIFANI WAFEE

SCIENCE OVERVIEW

What will we be covering this term?

1st half term :

To be able to identify things that are living, things that are dead and things that have never been alive.
To understand that living things need to live in suitable habitats.
To explore the plants and animals that live in seaside habitats.
To be able to explore and describe a micro-habitat.
To explore food chains in a habitat.

2nd half term :

Identifying healthy and unhealthy food.
To describe how humans change and grow.
Why we need to exercise.
How and why we need to keep ourselves clean.

How will my child be assessed this term?

During the term there will be ongoing unit tests and an end of term, summative assessment. Children's classwork and unit tests will be checked to assess the progression of each child.

How can I help my child in this subject?

Revise the concepts being taught this term and complete additional work at home to help reinforce concepts.

Teacher's Marking Key:

✓ = means what you have done well.

NS = Next Steps - is something you need to work on.

TD= Teacher has talked to you about your work

SM = Self marking

PM = Partner marking
