

# Mathematics

**Term:** Autumn  
**Year:** Y8  
**Teacher:** Mr. Abdel Kader

**Textbook title:**  
Collins Maths Frame working 2.2, 3rd edition.

**What will we be covering this term?**

**1<sup>st</sup> Half Term:**

- Fraction and decimals (Collins Maths Frame working 2.2 Chapter 12)
- Circle (Collins Maths Frame working 2.2 Chapter 14)

**2<sup>nd</sup> Half Term:**

- Equations and formulae (Collins Maths Frame working 2.2 Chapter 15)
- Comparing data (Collins Maths Frame working 2.2 Chapter 16)

There will be an end of term exam based on what students have covered this term.

**Teacher's Marking:**

- Verbal feedback
- Marked in green pen (inside books)
- Mid-term and end of term assessment

### **How will my child be assessed this term?**

The Maths' Department will employ a number of strategies and techniques to assess your child's progress.

- Pupils' learning will be assessed in lessons via selective questioning and student participation.
- Homework will form a key part of students' learning and a useful tool for assessing students' progress.
- Pupils will sit regular tests (End of Topic tests, End of half term test and End of Term test).

There will be at least 2 assessed pieces this term.

In more detail;

At the end of the term there will summative exam that will test their knowledge for what they've covered during the course of the entire term.

### **How can I help my child in this subject?**

- Ensure homework is complete; you can track students' homework assignments at <https://www.showmyhomework.co.uk>
- Encouragement, praise, ensuring that they do their homework; and checking their student planner.
- Encouraging them to read around the subject.
- Their notes must be in order; discipline is essential.

### **Resources**

There are various resources on the subject freely available on the web, as well as resources available from the Maths department.

We supply the student textbooks, but if you wish to purchase your own textbooks then they are available online.
