

Mathematics

Term: Autumn
Year: 7
Teacher: Mr Abdelkader Guettit

Textbook title:
Collins Maths Frameworking 2.1,1.2 3rd edition.

What will we be covering this term?

1st Half Term:

- Place value
- Number properties
- Fraction, decimal and percentage.

2nd Half Term:

- Angles and 2D
- Perimeter, Area, Units
- 3D shapes (Volume)

There will be a half term exam and an end of term exam based on what students have covered this term.

Teacher's Marking:

- Verbal feedback
- Marked in green pen (inside books)
- Mid-term and end of term assessment

How will my child be assessed this term?

The Maths' Department will employ a number of strategies and techniques to assess your child's progress.

- Pupils' learning will be assessed in lessons via selective questioning and student participation.
- Homework will form a key part of students' learning and a useful tool for assessing students' progress.
- Pupils will sit regular tests (End of Topic tests, End of half term test and End of Term test).

There will be at least 2 assessed pieces this term.

In more detail;

At the end of the term there will be a summative exam that will test their knowledge for what they've covered during the course of the entire term.

How can I help my child in this subject?

- Ensure homework is complete; you can track students' homework assignments at <https://www.showmyhomework.co.uk>
- Encouragement, praise, ensuring that they do their homework; and checking their student planner.
- Encouraging them to read around the subject.
- Their notes must be in order; discipline is essential.

Resources

There are various resources on the subject freely available on the web, as well as resources available from the Maths department.

We supply the student textbooks, but if you wish to purchase your own textbooks then they are available online.
