

YEAR 5 AUTUMN TERM 2023-2024
TEACHERS: MRS NAVEED AHMED / MR SHAHRAYZ NAZIM

GEOGRAPHY OVERVIEW

What will we be covering?

Energy and the Environment

- Describe and understand key aspects of human geography in the context of settlers and their needs
- Where does our power come from? How is electricity generated and distributed
- Understand and explain renewable sources of electricity
- Explain where our food comes from and use digital maps to calculate food miles
- Understand the importance of conserving food, water and energy supplies
- Understand that access to natural resources varies in different countries

How will my child be assessed this term?

Students may be given occasional homework to complete. There will be a formative assessment at the end of the term. Children's classwork and homework will be checked to assess the progression of each child.

How can I help my child with this subject?

- ❖ Revise the concepts being taught this term and complete additional work at home to help reinforce concepts.
- ❖ Encourage your child to read up on the topics being learnt to enhance their wider general knowledge and understanding.

Teacher's Marking Key:

✓ = means what you have done well.

NS = Next Steps - is something you need to work on.

TD= Teacher has talked to you about your work

SM = Self marking

PM = Partner marking
